

What if we...

- turn off lights when we leave the room. Switch to LED bulbs. Turn down the thermometer. Change to green energy supplier

- hoarder or sharer? Have you got stuff you could share?

- insulate our homes better. Draught-proofing is one of the cheapest and most effective ways to save energy

- not make unnecessary car journeys & join our [green roots](#) campaign

- knit, mend, repair clothes. Let's not send unwanted clothes to landfill

- ask all schools to declare a climate & ecological emergency. Help them create a great climate action plan

- Nature is good for us! Let's plant trees everywhere & create a Camden Forest

- do you really need to buy single-use plastic bottles/containers? Let's get Camden Unwrapped!

- diversity in Camden is our gateway to the world. Let's welcome all.
